I understand this will be followed in accordance with the District Rate Order.
The customer (owner of property) shall be required to sign an Alternate Billing Agreement.
If you are renting or leasing the property to other parties you must authorize a billing agreement form for rental accounts.
The District will bill the tenant/lease for utility service, and a \$50 transfer fee (non-refundable) will be charged on the tenant/lease first months statement.
I understand G.S.U.D. is not responsible for making sure the tenant is informed of G.S.U.D.'S policies. However, I can direct the tenant to contact Goforth for any information concerning their G.S.U.D. account.
